Message from the President

Esteemed members,

Greetings from RISM!

Recalling my term as the Hon. Secretary General, Session 2013/2014, as well as when I was serving in the PMVS Division in the 1990s, I was disseminating snippets of events in RISM. And many members who were not from the Klang Valley said they felt more connected to RISM with those news. As such, I am reviving this initiative of connection for the benefit of sharing with all members.

The 57th Session started on the 21st May 2017. Since then the Chairs of Boards and Committees had been appointed from the Councillors. These Chairs, I must say are very committed and diligent in delivering their responsibilities. And that is why we have so many events to broadcast.

This newsletter will be on a quarterly basis. I also invite members to contribute news for the betterment of our institution. As this is aimed at a two-way communication, I thus name this newsletter **Connection**.

I do hope you have an enjoyable reading and stay connected!

Thank you!

Dato' Sr Lau Wai Seang, *FRISM*
President
